RECEPTIONS · LAUNCHES · CLIENT DINNERS · TEAM NIGHTS

An event space that starts the conversation.

Gallery DeFi pairs a working art gallery with a flexible event floor — so your guests walk into an experience, not just a venue. We work directly with planners to make the room fit the event.

PRODUCT LAUNCHES

A striking backdrop that makes the reveal feel bigger.

CLIENT RECEPTIONS

Cocktails among the art — a natural ice-breaker.

EXECUTIVE DINNERS

Intimate, distinctive, and far from the hotel ballroom.

TEAM & HOLIDAY EVENTS

Something your people will actually talk about Monday.
